**Keuka Lake Association Alexander & Esther Wahlig Keuka Lake Watershed Scholarship**

The goal of this scholarship, sponsored by the Keuka Lake Association, is to assist a graduating high school student who is planning to enroll in a four year program (may include a two year college with plans to transfer to a four year institution) and who is planning on pursuing a career in general environmental sciences or limnology or water quality/watershed management.

Eligible applicants include students graduating from high schools in the Keuka Lake Watershed, including Haverling Central School, Dundee Central School, Penn Yan Academy, Prattsburg Central School, Hammondsport Central School or senior students whose parents are Keuka Lake Association members.

The one-time \$1000 scholarship will be awarded in one installment upon satisfactory completion of the first semester and submission of a transcript sent to the Keuka Lake Association office for review by the committee.

The selection committee is composed of members appointed by the Keuka Lake Association. The committee must receive application forms by April 24th of the graduating year. In June, the committee will send the selected recipient a letter and forward a copy to the guidance department of the appropriate school.

**Students should submit an application for the scholarship to the Keuka Lake Association by April 24, 2018 either by mail (P.O. Box 35, Penn Yan, New York 14527) or electronically to [info@keukalakeassoc.org](mailto:info@keukalakeassoc.org).**

The application must include a letter of recommendation from one of the applicant’s teachers and a 250 to 300 word essay describing the student’s interest in his or her selected field of study and how the student plans to apply that knowledge either in a future career or for enriching his/her appreciation in the environmental sciences or water quality/watershed management.
